

GONZAGA (MN) - 10 September 2017

Margonara Lakes – Strada dei Ronchi 99

***Racing Club Margonara
organizes***

RULES

1) Type of race: in a straight line with timed stretch of 100 meters, plus area of acceleration and deceleration. (Total length of the body of water 400 mt.), a sound signal will mark the entry and exit from the timed area at each step.

2) Categories: divided according to Hull: Mono, Hydro, Hydro Sport and Katamaran. For each type there will be a further subdivision according to the voltage of batteries used in boats with electric motors, while in the boats with internal combustion engine division will be according to the capacity of the motors (see registration form).

3) Technical Regulations: the watercrafts must be supplied with Ni-Cd, Ni-Mh, Lithium-Polymer (Li-Iron batteries are not permitted). There is no limit to size and weight. The combustion engines can be supplied with any type of fuel. The use of silencers is not restricted and they can exceed 80 db.

4) Sporting Regulations: each boat will have two launches of 4 minutes each, and 1 extra minute to exit from the path. During this period, the participant may take an unlimited number of steps within the clocked sector. To get the validation test, the contestant must have completed at least one timed step, otherwise the launch will be invalidated. Obviously, each category will be ranked separately.

Only records set by entrants to the Italian Federation Navimodel will be approved and included in the appropriate register.

5) Regulations " Margonara Lakes Trophy ": The trophy "Margonara Lakes", is based on the sum of the best positions in two different categories.

5.1 At the end of the race there will be a classification for each category.

5.2 The best position of only two categories will be considered for each contestant (ex. cat. mono10 and cat. Hydro6).

5.3 The placements will be scored in accordance with the Italian speed championship, namely:

first = 400 points; 2nd = 300 points; 3rd = 225 points; 4th = 169 points; 5th = 127 points; 6th = 96 points; 7th = 72 points; 8th = 54 points; 9th = 40 points; 10th = 30 points; 11th = 22 points; 12th = 17 points; 13th = 13 points; 14th = 9 points; 15th = 7 points; 16th = 5 points; 17th = 4 points; 18th = 3 points; 19th = 2 points; 20th = 1 point.

5.4 The sum of the points of the two charts considered, will result in a final classification, which will determine the winner of the "Margonara Lakes Trophy".

5.5 In the case of a tie, the higher speeds will be taken into consideration.

5.6 The final ranking will be awarded to the first 3 contestants classified.
